After talking to a couple of other agencies, we booked our honeymoon with **Custom Tahiti Travel** and I can't say enough good things about them! They responded to all our questions and made the trip really easy for us. All the flights, transfers and details were taken care of, we just relaxed and enjoyed the trip. Tahiti is a pretty expensive place, especially Bora Bora, but it is so worth it!

Our contact was Stewart Stanier. With the stress of planning a wedding, Stewart handled all logistics and gave us instant feedback on questions. He made life that much easier in very stressful times....
